

COMPETITIVE TENDERING – PRACTICAL DO'S AND DON'TS

AVOID TENDERING & CONTRACTING PITFALLS

All too often shortcomings in the application of competitive tendering procedures lead to delays, extra costs, disputes and sometimes legal action. Attend a 2-day seminar and learn how to avoid such pitfalls. Special pricing for members.

Seminar will provide:

- A practical review of the contracting/tendering process
- Tips on preparing tendering documents
- Things to consider when selecting contractors, consultants & subcontractors

February 23-24, 2017

Wu Centre, UNB Fredericton campus
